

# Donate Blood In Memory of **Remington Halker**

Gretna Middle School student Remington Halker was a kind, happy, driven child. He was involved in band, show choir, and the High Ability Learner program. He also loved gymnastics and competing at meets. In November 2016, he was diagnosed with an adrenal gland tumor.

Remington experienced complications during treatment and needed 69 units of blood during emergency surgery. Sadly, he died on Jan. 6, 2017. Help Remington's family and friends keep his memory alive by donating blood in his name.

## **Blood Drive**

**Family and Friends of Remington Halker**  
Thomas Elementary School  
11221 Northridge Drive

**Saturday, March 2<sup>nd</sup>**  
**7 AM to 1 PM**

For an appointment, please visit [redcrossblood.org](http://redcrossblood.org) and search Remington or call 1-800-RED CROSS (1-800-733-2767).

Child Care Provided While You Donate.
