## 2018 Flag & Tackle Football Signups Early Bird Discounts through May 12, 2018

**Registration for Flag & Tackle Football Opens April 5, 2018 -- Wait list begins June 16 (unless teams are at their max this date could be earlier -- some grades will only have one team due to coaching availability)**

**Register NOW and Pay BY July 1.**

**(see instructions on website to ensure registration is complete)**

### **2018 COSTS:**

**(\$10 off early bird discount on the price below if registered before May 12, 2018. Late fee of \$25 begins June 16, 2018 -- wait list begins @ this time but again only if spots are available as we only have certain number of coaches, allowing so many teams & players. It may be possible to have tryouts for the 7th & 8th grades since there is only ONE team per grade. )**

**Flag: 1st & 2nd -- \$100**

**Flag: 3rd & 4th -- \$125**

**(\$25 off each of the next children in same family registered in flag)**

**5th grade ONLY -- Transition Program -- 7v7 ARQ FALL SEASON ONLY (2 hand touch) -- \$125  
Need Head Coach so signups are tentative unless we have a coach & ARQ has enough interest**

**Tackle: 3rd & 4th -- \$175**

**Tackle: 5th - 8th -- \$190**

**(\$50 off each of the next children in same family registered in tackle)**

**NOTE: Unfortunately, we may only be able to field 1 team for 6th, 7th & 8th grades for the 2018 season. Due to the number of signups & coaches available, it may be possible that your child would not be able to play in GYSF for the 2018 season. Remember that the Middle School does offer 7th & 8th grade football. There will be a Workout Date (TBD) once signups close on June 16 if there are too many signups for one team in each grade. More information to come, once signups are complete.**

**\*\* No discount for registering a child in tackle and another in flag.**
