

Each of our preschool classrooms will be hosting an open house Tuesday, February 27, 2018, from 5 p.m.-6:30 p.m. for students and their parents interested in preschool for the 2018-19 school year.

We will begin taking applications for the 2018-2019 school year February 27, 2018. An application form will be found online on the Gretna Public Schools website.

There is a \$40 application fee. Application fees are nonrefundable if your child is offered placement in one of the preschool classrooms. Those who are not placed will be refunded the fee.

The application will include an opportunity for you to rank your building preferences, along with your preference for morning or afternoon session times. At this point, specific times are not set for the 2018-19 school year, as those will be established after the elementary schools have announced the building schedules for next year.

All applications must be received by March 27, 2018. Following that date, the preschool director will conduct a lottery drawing, placing students in classrooms according to the preferences listed on the application. The more flexibility you indicate on your preferences for accepting a placement, the greater the likelihood of having your child secure a preschool spot.

Once all classroom class lists are full, remaining applications will be drawn randomly and placed on a waiting list.

Children who are placed in a preschool classroom will be notified of their placement via mail after April 3, 2018.
